Free Time

After the school day ended, you were basically free to do whatever you wanted. Some people chose to participate in sports, the band, the school play or the debate team; others were hired for part-time jobs. Some people just went home to relax or watch some television. Whatever activity you chose to be involved in, it was your free time!

Precious Moments

Ellen Sturm is a new student to Oakwood, but not to the Dayton area. She previously attended Holy Angels. Ellen enjoys Oakwood more because the students get to choose to participate in more activities and because they have more freedom. Ellen likes sewing, drawing, and writing poems when she has free time. For her athletic fun, Ellen enjoys playing volleyball on the Oakwood Jr. High Volleyball Team and playing soccer. For the summer Ellen and her family go up to Michigan to fish and to relax.

James Faught is a new seventh grader from Austin, Texas. When moving to Ohio, James was a little hesitant because it was his first time north of Oklahoma, but now James is quick to respond that he likes Oakwood better because the people are nicer and friendlier. In James's free time he enjoys riding his bike, playing the trumpet in the band, roller skating, and swimming. James's favorite subjects are math and band. He finds that in English he has to work harder for the good grades. James is happy to be in Oakwood, and we are glad that he is here with us too.

Acorn: "What do you plan to do after high school?"

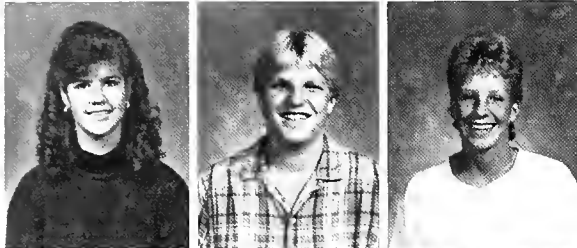

Craig: "I try not to think about that. I guess I'd like to be a Hell's Angel, buy my own Harley, cruise the streets of San Francisco, vroom, Vroom, VROO —"

Acorn: "That's nice. And how would you describe yourself?"

Craig: "Rosy cheeked, a right jolly old elf. I'm a boxers man, of course. If I were a tree, I'd be a Gynkgo. If I were a vegetable, I'd be a green pepper. And if I'm reincarnated, I'll come back as Mick Jagger's lips."

Emily DuChene was a wonderful asset to the 1987 fall cross country team. Emily was the fastest high school female on the team. In the South Western Buckeye League (SWBL) Tournament, Emily ran one of her personal best times and placed well in the race. Emily hopes that next year more people will join the cross country team and that she will do even better.

Moving is the name of the game for Mary-Ann Castray. Since her father works at NCR, her family has moved four different times around the world. She has lived in Sidney, Australia, two different times, in Wellington, New Zealand, and now in the United States.

For Mary-Ann, she doesn't like the adjustments, "I would rather stay in one place."

The biggest obstacle for Mary-Ann to overcome in moving to the U.S. was the language barrier. "There are different pronunciations, different spellings, and on top of all that, there is a difference in accents." Although all of this is against her, Mary-Ann still manages to have fun and make the best out of it.

During last summer, Marnie Prigozen travelled to Israel, a trip given to her by her grandparents in place of Marnie's Bat-Mitzvah celebration.

During her two month stay, Marnie met many new friends. Also while there, Marnie looked at many possible schools to attend in the future. As a result, Marnie has plans to attend Tel Aviv University in Israel.

According to Marnie, "The people were different. They had a more genuine personality about themselves." Marnie appreciates this trait.

For Dewey Weeda, being one of the first drivers of his class is "beginning to become a hassle, I now have friends I never knew I had!"

When Dewey received his license, he "felt I was too young to get a license already."

Dewey drives a Fiat Spider 2000 convertible, which his dad owns but Dewey drives. Since receiving his license in August, Dewey has had three close calls with the law for excessive speeding.

For Dewey, being one of the first drivers in his class was not all it was cracked up to be.

Chakthorn Sukapanpotharam moved to Oakwood in his sophomore year from Bangkok, Thailand. According to Chakthorn, the language barrier was a real problem. It was hard for him to understand his teachers and get along socially with others.

After living in Oakwood for two years, Chakthorn still has a few problems communicating but Chakthorn says, "Now it's funny trying to get the idea across to my friends and teachers."

As of now, Chakthorn does not have any specific plans after graduating from high school. Over time, Chakthorn has managed to overcome the language barrier of moving to a foreign country.

Time Out

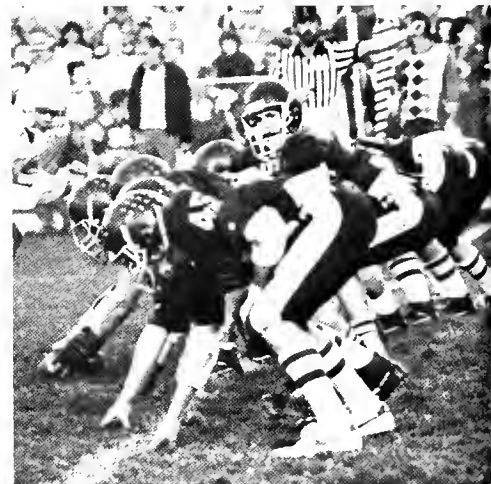

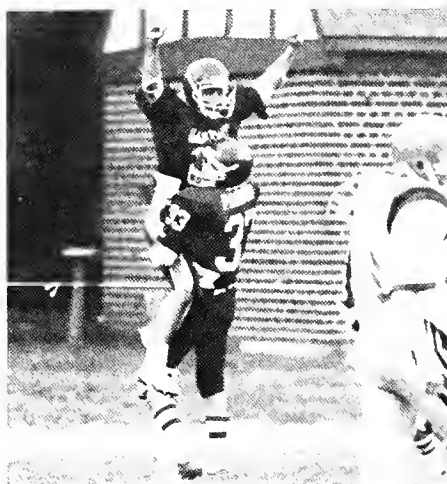

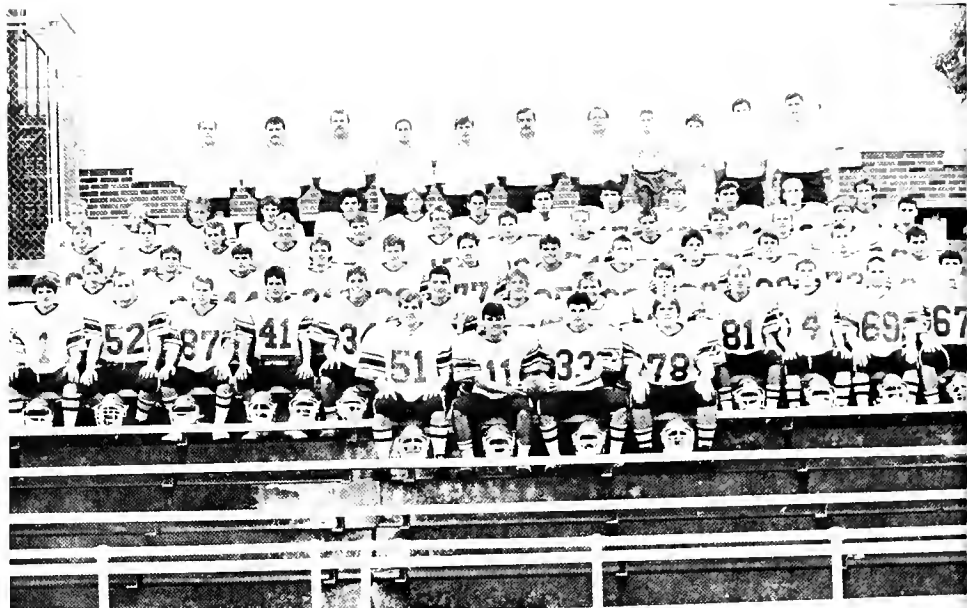

Jacks Lose Out Because Of Point System

The football season started out very well with a new head coach, Mr. Elsass. The season was a great success with a winning record of seven wins, three losses, and these losses were by only a total of nineteen points. The team narrowly missed the playoffs by a technicality in the points system tie breaker. The entire team was all stars, particularly the way they worked together to excell, filling in for many injured teammates and never giving up. Well done, team.

Awards were achieved by Chris Duval and Tim Stallard for Southwestern Buckeye League; second team awards were achieved by Bart Berutti, Mike Needham, and David Fry; honorable mention awards were received by Jeff Parrish and Chris Reinke. Chris Duval went on to receive honorable mention all state and first team all Southwestern Ohio; Tim Stallard and Mike Needham achieved honorable mention all Southwestern Ohio. The team ended their season third in the Southwestern Buckeye League.

Oakwood Axes The Indians

This year's reserve football team played "just well enough to lose" in game after game. In their lone schedule, they finished with seven narrow losses. The young team finally beat Preble Shawnee at home 28 to 6. While their success was limited on the field, they did master the fundamentals that they will need in their varsity days.

Teamwork

The Oakwood Boys Reserve Soccer team finished the season with a 6-7-3 record. The team started out the season with a 0-5-1 record, but soared back with 6 wins, 2 loses, and 2 ties in the second half of the season. Scott Mitchell, Robert Gardner, Brett Duffy, and Jim Duff pulled their team together as co-captains. Although losing 10-1 to Alter, they came together with an aggressive defense, good passing, and good team to tie AAA schools, Columbus DeSales and Centerville B soccer teams.

The overall success of the team was due to great teamwork. Cole Prizler and Brett Duffy led the defense, while Robert Gardner and David L'Heureux led in scoring. Scott "Neil" Mitchell held the inspiration for the team along with his great hustling ability. Finally, Gerry Finke and Jeff Weghorst were the top performers off the bench.

Best Ever

The Oakwood Varsity Boys Soccer team finished their best season ever with a 12-3-2 record. The team tied for the lead in the S.W.B.L. with Bellbrook, and they were number one in the area for A-AA schools. The Jacks out scored their opponents 101-13. This was a new team record for the most goals in a season. Russell Boose contributed a record 35 of the 101 goals. Boose also tied the one-game record of 7 goals. Senior Co-Captain Chris Wright clenched the record for the most shutouts in a season with 10 saves. Wright was named 1st team S.W.B.L., made 1st team All-Area, 1st team All-State, and was named AA Player of the Year.

All together, seven Jacks qualified for S.W.B.L. honors. Chris Wright, Russell Boose, and Brad Lauterbach were named to 1st team S.W.B.L., Scott Almoney and Peter Mott were named 2nd team, and Chad Raisch and Steve Cline received honorable mention in the league.

Another Great Year For The Jills!

The Varsity and Reserve Field Hockey Teams had a very outstanding year. They were 10-5-2 and 8-3-6 for the year, proving that once again, the Jills really know how to play ball. Karin Wenzke set a school record by scoring nineteen goals in her career. She is one of the top five scorers of all time. Annie Logan had a fantastic year, managing eight shutouts. Although the Jills suffered a loss to Fairmont in their first tournament game, Coach Fickert feels it was an extremely well-played game. She comments, "Fairmont is our benchmark. We're always comparing ourselves to them." She also feels very proud of their record. The Jills lost only five games, three of them being to Fairmont, and all of those teams are playing in the State Semifinals this year. Coach Fickert feels, "This is the best team I've coached since I've been here. Next year we will be getting a lot of talented girls, and it promises to be another great season!"

Undefeated!

Once again the Oakwood Girls Tennis team had an outstanding year in the courts. The Varsity team ended their season undefeated with an 18-0 record. The Reserve team matched that with a 9-0 record. Many girls did well in the SWBL tournament. Michelle Goecke qualified first in first singles. Tracey Ballard came in first in second singles. Brooke Czechowski won first place in third singles. Shannon Tully and Kathy Weisbrod, two young, but very talented players, qualified first in first doubles. Jenny Pici and Katie McCormick qualified first in second doubles. A couple of girls went on to districts and even state tournaments. Brooke and Tracey were runners-up in the finals of state A-AA tournament. Michelle also qualified for state A-AA singles tournament.

The biggest highlight of the season came when the Jills defeated Columbus Bexley, Centerville, and Northmont. This is the first time in many years that the Jills have defeated these teams. Although the Jills will miss their star seniors, next year's team looks just as promising and will surely have another excellent season!

Jills Start New Tradition

The Varsity Volleyball Team finished the season with a 15-6 record. This was one of the best records in recent history along with one of the toughest schedules ever. The record was 15-6 for the whole season with A record being 1-0, AA record 9-3, and AAA 5-3. Some of the high points for the season were placing 1st in the Stebbins Invitational Tournament, beating Wilmington and Stebbins to achieve this position. Getting 2nd in the S.W.B.L. was another high point of the year.

The team's success this season can be attributed to hard work, a positive team attitude, and good leadership from the three seniors, Lynn Bockrath, Micki Cornett, and Michelle Morris. Co-captains for the season were Micki Cornett and Lynn Bockrath. The team looks forward to another great season in 1988 with a "winning tradition" started by the seniors of 1987!!

Small But Mighty

The Oakwood Varsity Cross Country Team finished another great season with Dan Lunne leading the way. Lunne was this years team captain and most valuable player. Even though the team was relatively small and very inexperienced, they finished fifth out of 10 teams in the league. The team won at Cedarville and ran very well at Preble-Shawnee. Dan Lunne finished first in the S.W.B.L. and was named All-league along with Jeff Roedersheimer. Michelle Petherick was the teams only junior high runner. She joined the team halfway through the season and still ran quite well. The team had great ability, even with low numbers, and they proved it.

16-3-2

This year the Oakwood Varsity Girls' Soccer team had the best season they've ever had with a record of 16-3-2, and the girls finally earned the respect that they deserve. The Reserve team ended their season with a 2-9-3 record. Of the Varsity's nine biggest games, the Jills were victorious in seven of them. Coach Tant feels their win over Alter was the turning point of the season. Even though starter Margaret Shane was injured, the girls fought hard the rest of the season and came out with a second-seed in the tournament. The Jills also set a record by scoring eighty-three goals to their opponents' thirteen. Michelle Kantor had an outstanding year in goal, managing ten shutouts. Five girls received individual honors for their outstanding efforts. Margaret Shane made first team A-AA-AAA, Lisa Parrish and Michelle Kantor made first team A-AA, and Rebecca Brown and Corrina Monett made second team A-AA. Mr. Tant received Coach of the Year for A-AA. He commented, "Receiving Coach of the Year was just the icing on the cake. After all of the work I went through to turn this program around, it was worth it!"

One Injury And One Win

The Oakwood Junior High Football Team was coached this year by Coach Gorham, Coach Hope, and Coach Hemler. These coaches did a great job with their players, considering how small their team was compared to other teams. Even though they only came out with one win against Chaminade-Julienne, they worked well together and enjoyed all of their teammates. With one injury and one win the Jacks kept up their spirit and never gave up.

Record Improves For Junior Jacks

The boys junior high soccer team posted a great winning season. They ended their season with a 9-5-2 record. They had a very impressive win over Miami Valley. Their record was a great improvement over last year's. The team's success was led on defense by Philip Liapis at center halfback and on offense by Jon Rahman at center forward. Zach Woessner, Mat Broz, Jon Rahman, and Tom Talbot shared the responsibilities as co-captains. Jon Rahman and Zach Woessner were the team's Most Valuable Players.

Two Teams

This year instead of one junior high team of 21 players, separate seventh and eighth grade teams were created of 15 and 16 players each which made it possible for more junior high girls to be in the soccer program and an opportunity for each player to make a significant contribution to their team.

The goal of the 1987 seventh grade girls soccer team was to have fun, learn soccer skills, be versatile and play with intensity. According to Coach Lockrem, "The girls were good about making practices and always played their best in a game." Each girl had the experience of being a co-captain because a different girl was chosen each week to contribute leadership to their team. The team's biggest thrill was to tie and almost win the game against Precious Blood, who had beaten the Jills earlier 5-1. Coach Lockrem also added, "This was the most enthusiastic team I've ever coached." Soccer is a team sport and all fifteen girls were equally valuable to the team. The Jills ended their season with a record of 3-5-3.

The eighth grade soccer team ended their season with a 4-7-3 record. This will not be impressive in the record book, however, the team was competitive, never quit trying, and always gave their best effort. Coaching goals for the season were to improve skills and stress teamwork. Both of these were accomplished and the talents of this team will be valuable in the success of the reserve and varsity girls soccer program at Oakwood in years to come. Bill Clymer and Tad Kiefaber were co-coaches with assistance from David Guttridge and Susan L'Heureux.

Junior High Jills Go Undefeated!

The Oakwood Junior High School Field Hockey Team, made up of seventh and eighth graders, went undefeated for the season with a record of ten wins and no losses. In tournament, the Jills beat Kettering to win the Kettering Invitational.

The team took turns being captain and contributed equally. Coach Priest's goal was to play every girl in every game, and she did. The girls had fun and at the same time learned to play the game of field hockey.

Junior Spikers

The Junior High Volleyball Team had a good year, closing the season with a nine win, three loss record for Varsity and a five win six loss record for Reserve. The Jills played some tough matches, and kept its losses down. Mrs. Kidd expects next year to be just as promising because many seventh graders will be back to play Varsity.

#1 In S.W.B.L.

The Oakwood Varsity Boys Basketball team ended their season with a tremendous eight wins and one loss record in S.W.B.L. The 1988 Most Valuable Player was Chris Zois. The team had many attributes that contributed to their overall record. Special talents were their aggressive defense and ability to play well in clutch situations. The team's only league defeat belongs to Eaton in double overtime. The defeat over Bellbrook made up for this and gave Oakwood the championship. Tim Beigel received special recognition by participating on the District 15 All Star Team. Chris Zois also received this distinction for Underclassmen. Each player contributed to the team and gave never ending effort and dedication.

Jacks Are Court Smart

Lead by captains Paul Cooper, Chad Raisch, Brad Lauterbach and Dave Thompson, the Reserve Basketball Jacks had an exciting season with a seventeen win, three loss record. 65 Point Average

The Freshman Basketball team ended their victorious season with a 14 win and 1 lost record. Their only loss was to Middletown Madison by one point. "We averaged sixty-five points a game and held our opponents to about forty-seven," Coach Berutti said. This was an extra special season with the entire Berutti family involved. Each player added their own spark to the team. Matt See was the overall leading scorer and Ben Beutel was the leading rebounder. The team worked well together by never giving up and being aggressive.

Seventh Graders Know Hard Work

The Seventh Grade Basketball Team, coached by Bob Whiteside, finished their season with a winning record of eight wins and four losses. Coach Whiteside says, "One of the most exciting games of the year was with Jefferson. We came out on top with a 51-50 victory in overtime."

The seventh grade boys have a great deal of talent for basketball. With continued skill, development, and hard work, they can be excellent high school players.

Winning Season And Winning Coaches

The Varsity Girls' Basketball team ended their winning season with a 14-7 record. The Reserve tied their record at 9-9. The girls were led on the floor by senior captains, Micki Cornett and Erin Hayde. Three new coaches were a part of the team this year. They were, varsity head coach, Tom Auten, and the reserve coaches Gerald Cornett and Jerry Wenzke. It was a great year for both the girls and the coaches. Tom Auten adds, "I really enjoyed working with the girls. The effort, enthusiasm, and willingness to learn made coaching a pleasure. I was happy that the girls won. It is satisfying to see hard work rewarded!" The girls are anxious to come back next season and win again.

Three Winning Seasons For Junior Jumpers!

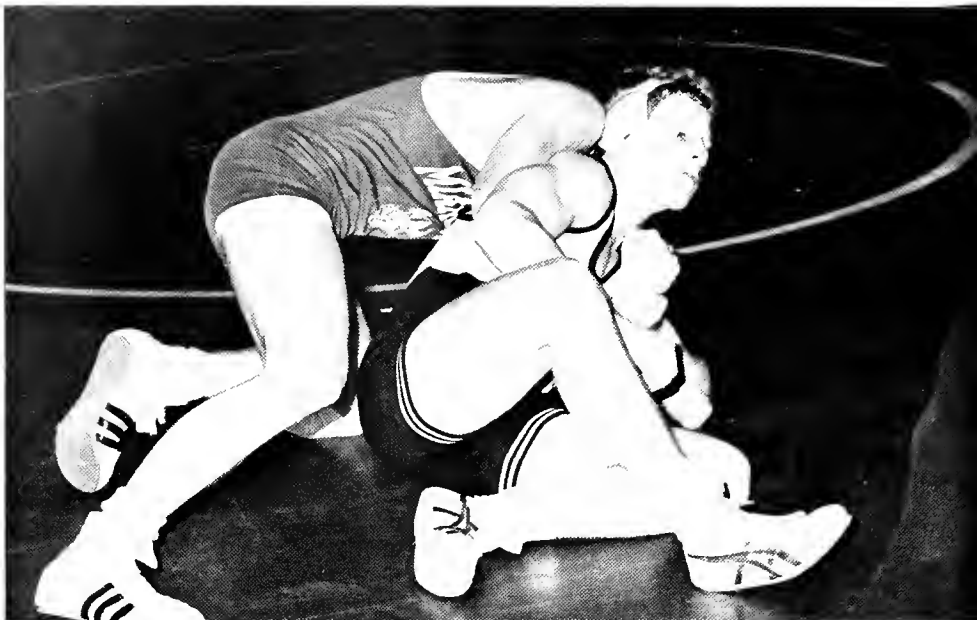

The Seventh Grade Girls' Basketball Team had an outstanding year on the court. Captains Molly Deddens and J.J. Lauterbach led their teams to a 7-6 overall record. Coach Shadle is very proud of his girls and expects them to be very successful in years to come.

The Eighth Grade Girls' team had a very impressive season, ending with an 11-3 overall record. They took second place in the Preble Shawnee Tournament, an accomplishment of which Coach Cooley is very proud. Although the girls got off to a slow start with a 2-2 record after the first four games, dedication, hard work, and a desire to succeed paid off as they finished out the season with only one more loss. Coach Cooley feels these girls have a strong team and will do very well next year.

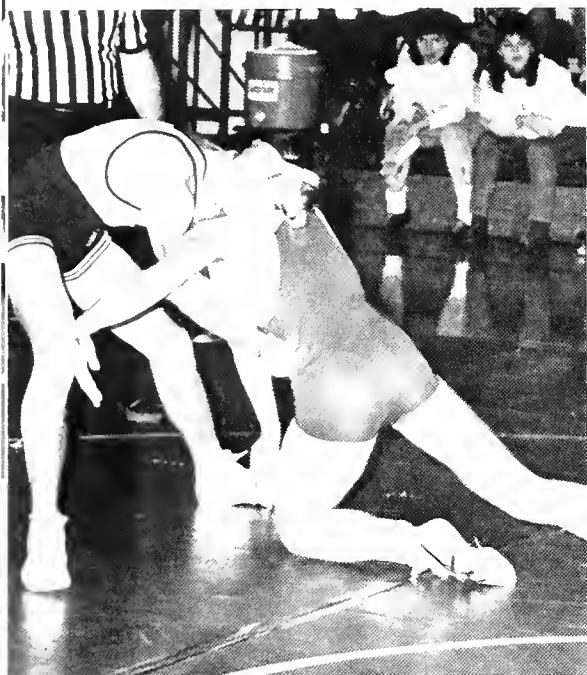

The Freshmen Girls also had a successful season. Their hard work and great skills gave them an 8-3 record. The girls had to work extra hard over the holidays and winter break to fill in for the absentees on the reserve squad, but they still did a great job. Bonny Cline and Molly Jones were co-captains this year and provided strong leadership. Coach Fickert was very proud of her girls and says, "They were a great group to work with! Everyone pulled together to lead the team to a winning season!"

Jacks Beat Lack Of Experience

The Oakwood Varsity Baseball Team finished their season with a twelve win, seventeen loss record. The team was led by Jeff Parrish, who was also the Most Valuable Player. The reserve record for the year was 2-12. The season's success was due to hard work and overcoming the large percentage of the squad that lacked playing experience. The baseball team ended up ninth in the S.W.B.L. and Jeff Parrish was awarded Honorable Mention in the S.W.B.L.

Four Wins!

The Girls' Softball Team for 1988 had a very successful season. They compiled a record of four wins and eleven losses. Although it was not a winning record, the girls doubled their winnings from last year. Coach Cornett stated, "I believe the softball program has the nucleus for success in the future with our returning team members." Rebecca Brown received second team All-League, and Kim Ballweg received Honorable Mention. Coach Cornett also added, "We were blessed as coaches to have two of the most "Marvelous Personalities" in the school on our team. The team posted four wins which in recent years would have been a major accomplishment for the softball team. I attribute the success to the first year coaches, Chip Seidl and myself." The girls are anxious for the next season to start.

Successful

The most valuable player, Andy Spears, led the Oakwood Varsity Tennis Team through their successful 1988 season with a 22-5 record. The starting seven were all seniors. The teams' biggest thrill was Cline and Spears upsetting number one ranked Wyoming's doubles team in district 7-5, 7-5 but missed going to state by one set. This year's team consisted of two four-year lettermen, three three-year lettermen, and two two-year lettermen. Combining their skills, hardwork and dedication, they created a winning team.

The Reserve Tennis Team had a very successful season with 8 wins and 2 losses. This is especially noteworthy since all of these matches were against AAA schools, with the exception of Miami Valley. In addition, one of those defeats was against Fairmont, a team that we later were able to defeat on our home courts. Matt Koch and Eric Black were able to assist the Varsity team on enough occasions that they earned Varsity Letters. Scott Campbell played very well at 1st, 2nd, and 3rd singles, winning more reserve matches than any other player. Justin Branciforte, J.P. Davis, Chris Gray and Ken Oxley filled out the rest of the reserve team's top 7. All of these boys finished the season with a winning record.

Moments Of Excellence

Suspense On The Stage

The fall play this year threw everyone for a loop with "Witness for the Prosecution," a murder mystery. The play, written by the famous Agatha Christie, is a very dramatic and clever play. It took great effort for high school students to pull off the very adult characters, but the leads had talent and went beyond everyone's expectations. Paul Karns played the defense attorney who was deceived by Mia Calarese, the scheming but emotional wife, and her temporary husband David Basso, who played the seemingly innocent suspect. The production was a joint effort involving many crews, lots of hard work behind the scenes, and exceptional direction by Mrs. Koenig. As a result the set was one of the best on the Oakwood stage in a long time. Everyone who came to the performance will remember what a hair-raising experience the 1987 fall play was.

Homecoming Spirit

The band played, the Jilletes marched, the cheerleaders jumped, and the fans roared. This spirit began Thursday night at the bonfire, and it didn't end until late Saturday night. The excitement of the game Friday night slowly intensified as the score between Oakwood and Northridge crept to 3-2 at the half. Then the fans eagerly awaited the announcement of the 1987 Homecoming queen, Katie Fitzpatrick. Unfortunately, by the end of the evening the game wasn't in Oakwood's favor. However, it wouldn't be long until the spirit of Oakwood would be lifted once again in thoughts of the dance on the very next night.

My Fair Lady — So Loverly

Oakwood High School presented *My Fair Lady* this spring, led by David Gray and Amanda Morris. As Professor Higgins, senior Gray guided Eliza Doolittle, junior Morris, through Lerner and Loewe's version of the Pygmalion myth. Rob Mowry, as Eliza's father Alfred, brought street-smarts and a little bit of luck to the stage. Junior John Saurine fell head-over-heels in love with Eliza and spent the remainder of the play on the street where she lived. The remainder of the cast, from Higgins' maid Mrs. Pearce, Kathryn Kane, and his sidekick Col. Pickering, J.D. Conner, to the ensemble of Cockneys, Maids, Ascot-goers, and the crew added spice to the finest production Oakwood has seen in years.

A Time To Praise

Once again the awards were plentiful at the 1988 Awards Assembly. Each year the number of recipients seems to increase, and this year was no exception. The awards ranged in category from academic, to music, to art, to athletic. This year, however, the achievements were phenomenal. The student council with additional student members and the Oakwood Athletic Boosters donated their goal of \$21,000 to the new training room project. The male and female junior citizen awards went to Chad Raisch and Sara Dudding, while the best all-around junior boy and girl awards went to Fred Schauer and Katie McCormick. Scott Almone and Amy Neumeister were named to the outstanding "senior citizen." A congratulations went to this year's valedictorians, J.D. Connor and Andy Spears, while a great round of applause went to everyone who received an award.

170 Honored

This year the Junior High Students were "In Pursuit Of Excellence", and with hard work and dedication, they achieved it. Over one hundred and seventy students were honored with awards ranging from the Principal and Faculty Awards to Ohio Scholastic Achievement Awards to Physical Fitness Awards. Recognition was also given to students excelling in drama, art, and music. The future looks promising for these youngsters! With Senior High just around the corner, many will follow in the footsteps of the excellent leaders from Oakwood High School.

1. Oakwood Junior High students await their turn to cross the stage to receive an award. 2. The music department, Neil Zimmerman and Jim Wolf, have plenty to sing about with the junior high talent awards. 3. Mia Calarese was voted Best New Talent by the International Thespian Society for her leading role in "Witness for the Prosecution." 4. The Faculty awards were presented by Mr. Tant. 5. Mr. Don Eifert honors students' scores on the Ohio Test of Scholastic Achievement. 6. Service Awards were awarded to junior high students by Ms. Janet Hess

"P-e-f-f-l-e-y"

"P-E-F-F-L-E-Y," the crowd cheered as the Oakwood Talent Show opened for the first time in two years. Everyone was excited and anxious to witness the hidden talents of their fellow students, whether it be the superb rapping skills of the "Peffley Boys" or the well-developed rhythmic skills of Kevin Coy and Jeff Payne in the drum duet. Don't forget the ever-famous "Battle of the Bands", where Death on a Cracker, Psychadelicacy, Thailand Fling, and Delusions of Grandeur fought for the prize. In the end, Death on a Cracker came out ahead winning the "Best Band Award", while the vocal duet of Austin Shaw and alumni Eric Ramnath won the "Best in Front of the Curtain Award". The 1988 talent show was a great show, and the student body left as excited as when they entered.

The day all began with a challenging six mile run through Oakwood on Saturday, May 21, 1988. That Day in May also involved the annual Oakwood art show, a pancake breakfast, a parade through Oakwood and games and other festivities in the high school stadium. It was a hot day for all except for a few teachers who volunteered to participate in the "Flush-Em", a game set up by the Roterary Club to earn scholarship money to give to an outstanding senior graduate.

“ . . . More Whitesnake!”

From the pre-dance activities all the way through the post-dance parties, the good times certainly did roll at the 1987 Homecoming Dance. The football team's loss on Friday to Northridge was upsetting, but Grant Hager's break-dancing helped to cheer everyone up. The Girls' Gym was rocking as WTUE's best came out to spin the tunes and add to the Homecoming festivities. From the fast-paced conga line, circling around the crowd, to the couples who wanted the seclusion of the corners, most can agree the dance was a great success. Although the 1987 Homecoming was a hit, Matt Langley summed it up when he said the only thing the dance needed was “ more Whitesnake!”

Oakwood's Hoedown

Will he or won't he? Can we or can't we? Are they or aren't they? These were the questions on everyone's mind about the Sadie Hawkins dance held this year on November 7 in the girls' gym. The first concern was about the asking. Most girls were a bit nervous about this type of dance and many felt much apprehension when it came to asking that special some

one. The next concern on everyone's mind was jeans. Were we allowed to wear them or not? Even though in the beginning the student body was not allowed to don denim, the will of the students (especially the male ones) prevailed and jeans were finally allowed. The last real concern came at the actual dance. The group SCAM was playing and the whole school

was jamming when all of a sudden, the music died. No one was really sure if the band had just taken a break, or if they were done for the evening. Most picked the second choice, and the dance ended a bit early much to everyone's dismay. All in all, the dance was great and now the only question left on anyone's mind is, "When's the next one?"

1. Karen Willhide and Kim Ballweg decide it's time to come out of the bathroom and find their dates. 2. Beth Medford and Kevyn Coy stop from dancing to be alone. 3. Ben Schwartz and Katie McCormick — a match made in heaven. 4. Austin Shaw and Jenny Rogers show they don't need an excuse to party. 5. Amy Ogg and Michelle Ramnath are sure glad they came to the dance this year. 6. From dinner, to the dance, to the parties — It's couples only for this

crowd 7. Brooke Bartlett and Stephanie Ferhman are best friends for life. 8. Shelly Slicer and Anne Ross smile as they listen to the sounds of SCAM. 9. Kirsten Sherk and Tammy Bell take time out to gossip about post-dance activities. 10. Anne Ross is very glad she chose "Winnie" as her date. 11. Kirk Hendricks and his number 1 — Kristen Norvell. 12. When asked the question, "With whom would you prefer to spend a Friday night?", most senior high females would never think of answering, "My dad." That answer changed after the annual Jillette-sponsored Father-Daughter Dance was held on November 20th in the girls' gym. Mr. Gray and Karen Goldman were crowned King and Queen of the dance, while Donna Geidner's father was

tallest, Eileen Seman's dad was shortest, Tracy Matthews's dad was youngest, and Angela Gregory's dad was crowned the oldest father. Kara and Beth Kilian's dad won the prize for the most daughters. Most girls had a really great time rockin' and rollin' with their daddy, especially Liz Oxley and her dad who were the winners of the dance contest.

Do You Compute???

It all started out with a simple questionnaire, and ended up as Oakwood's version of Matchmaker's Anonymous. "Who's your number one?" was the most frequently asked question under the dome as students gathered in the girls' gym on February twenty sixth for the annual Computer Dance.

1. Patti DeArmon, Andy Huggins and Virginia Beecher jam to the tunes 2. Tiffany Billingsley and Amy Ogg are glad they came 3. Turnabout Is Fair Play

As the night of Saturday March 19th rolled around, things were a little upside down underneath the Dome. No, it wasn't a full moon, it was just the annual Turnabout dance. As the women of OHS prepared to wine and dine the men of their choice, the men prepared to do

nothing, at least nothing that involved money. The DJ from Magic 104 was there spinning the tunes, and everyone was there just dancing the night away in the girls' gym. Scott Almoney was crowned Turnabout King by his peers. All in all, everyone had a great time this year.

It all started out with the question, "Will you go to Prom with me?" and ended in a night Oakwood Juniors and Seniors will never forget. This year's Prom was held on April 23rd at the Kennedy Union Ballroom with the band IMU. Everyone stopped dancing only momentarily for Grant Hager and Sharon Pohl to be named King and Queen. Sand, Sun And Surf

Well there wasn't any sand, maybe a little sun but there definitely wasn't any surf, but Oakwood students didn't care. It was Beachcombers Night, May fourteenth, 1988, and all of Oakwood came to the O.C.C. First Attempt

Junior Assembly represents the enthusiastic freshmen's first attempt at enjoying the fun of "date dances". Freshmen eased into the first dance scene held at the Masonic Temple by filling out dance cards at the beginning of the evening. These cards helped relieve the tension of

asking people to dance throughout the night. This year's final dinner dance was held at the Presidential Banquet Center. After experiencing these three dances, the freshmen willingly await next year's many senior high dances!

Last Lunch — Seniors Munch!

So maybe it was a tad bit cold for a spring afternoon, but it still was fun! The seniors all gathered together for their last lunch out on the front lawn on Wednesday, May 18th. Some seniors grilled while others went for fastfood. After munching, the frisbees went into the air while Lynda Ying's marshmallows went over the still warm charcoal for a toasty treat.

Black Or Blistered

Whether it was to Hilton Head Island, somewhere in Florida, the Bahamas or Wild Dunes, down South was the place to be for the final high school spring break for the seniors. Many students came back with deep, dark, savage tans, while others didn't fair so well and returned with red faces, peeling skin and blisters on their backs. What a week of fine weather for a last vacation with friends from Oakwood High!

Skip To Skips

The old verse, "Over the river and through the woods to Grandmother's house we go" had a new meaning on Friday, May twenty seventh when the senior class cut school to party at Skip Stein's grandma's house out in Kettering. It was a fun filled day of seeing who would be the next person to get thrown in the pool with all of his or her clothes on. What a wonderful hot day it was to "skip to Skip's"!

Anticipation

The realization that high school had finally ended forever began to hit the class the day *before* graduation at the Baccalaureate service that was held at Westminster Presbyterian Church on June fifth. The evening began with a prelude of a French Horn solo by Carole Stoops, a vocal duet performed by Kathryn Kane and Shelley Pruitt and a Senior Ensemble sung by the Oakwood High School Choir. The ceremony then began and was full of praying, singing and lectures. Throughout it all, the class anticipated Monday evening, the night of graduation!

Reverend Seitz speaks on the actual meaning of Baccalaureate. 6. Carole Stoops give a reading to the congregation. 7. The senior girls nervously await to march up the isle while wondering which foot to step out on first, their right or their left. 8. Jerry DuChene is proud to be a graduate of OHS

Cheese Dogs

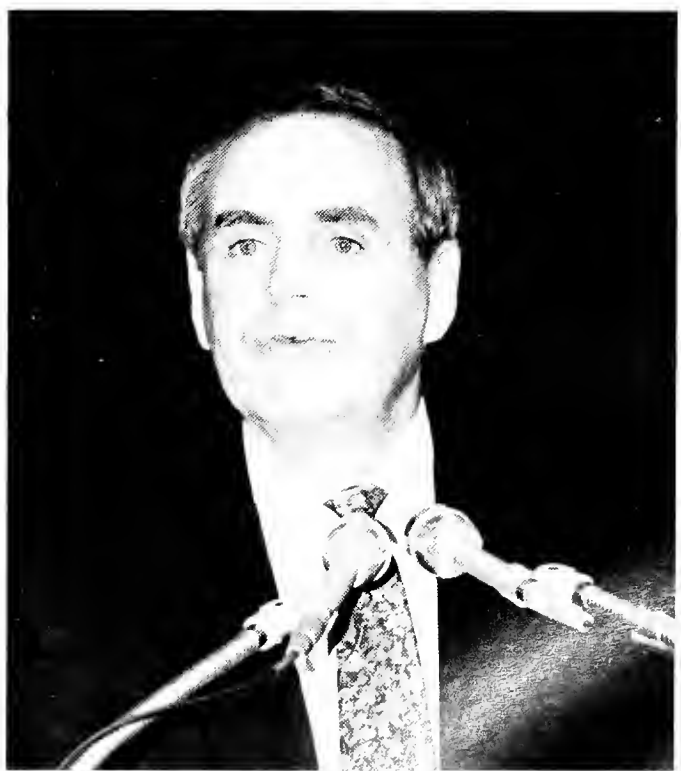

From David Gray's opening speech about becoming an adult in other cultures to J.D. Connor's closing remarks about cheese dogs along with Andy Spears' ending concerning goal orientation, the 1988 Commencement was a night that all the seniors, their parents, family, and friends will never forget. The ceremony, which was held on Monday, June sixth at Memorial Hall, included three special awards. The first award, the *Lt. John C. White II Memorial Scholarship* was presented by Richard Pohl and received by Margaret Shane. Mrs. McAngell presented the second award, the *Daisy Talbott Green Award to the Best All-Around Senior Girl*, to Betsy McElligott. Mrs. McAngell also gave out the third award, the *Talbott Award to the Best All-Around Senior Boy*, to David Gray. The Multi-Media Presentation called "Forever Young" was presented to the class by Kara Cammerer and included senior portraits, senior baby pictures, and senior candid. After an entire school year of work, the 1988 *Acorn* is finally complete. Flipping through the pages, we hope that you enjoy it and have as much fun reading it as we had putting it together. Special thanks go to our wonderful advisor, Mrs. Anne Koenig, for all of her support, and Mr. Charles Miller, our Jostens' representative, who was always there when we needed him. We would also like to thank Easterling Studios for their professional photography services. The staff also wishes to extend its appreciation to Jostens, the printer who made this yearbook possible.
